Old Landmark Being Torn Down

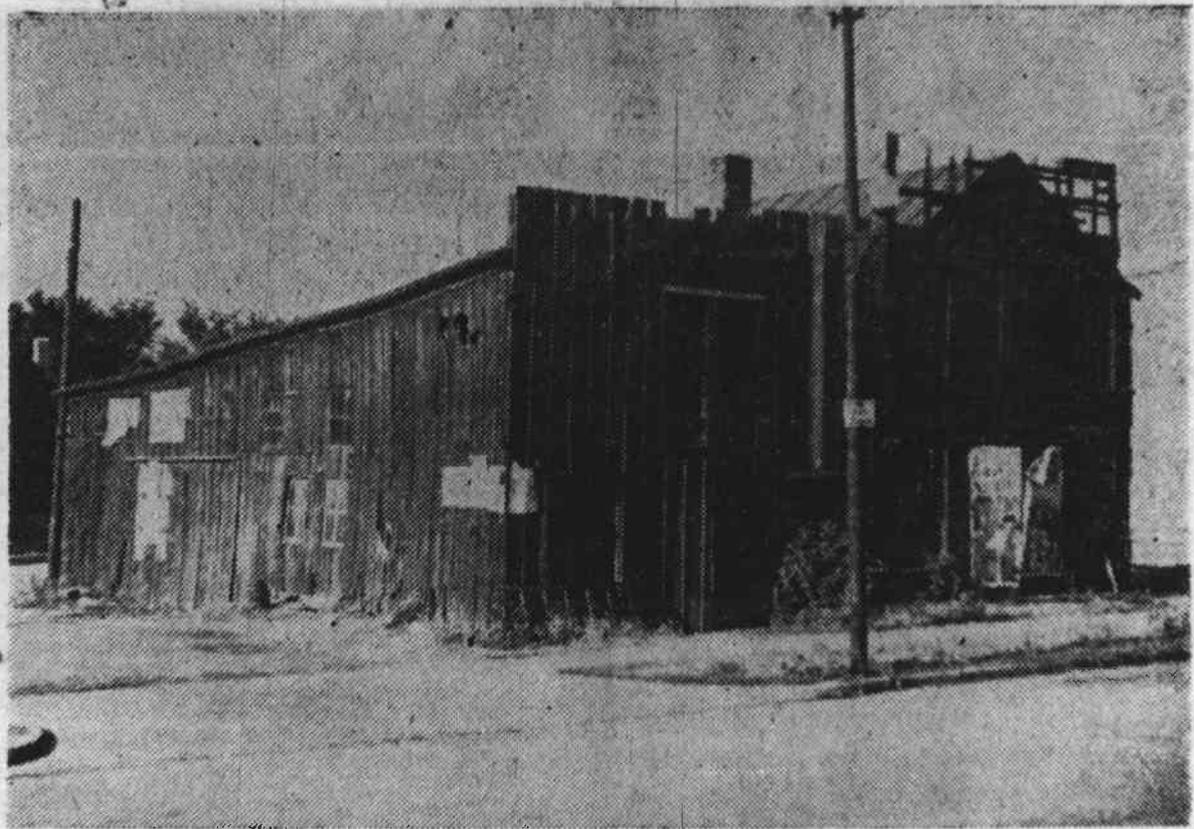

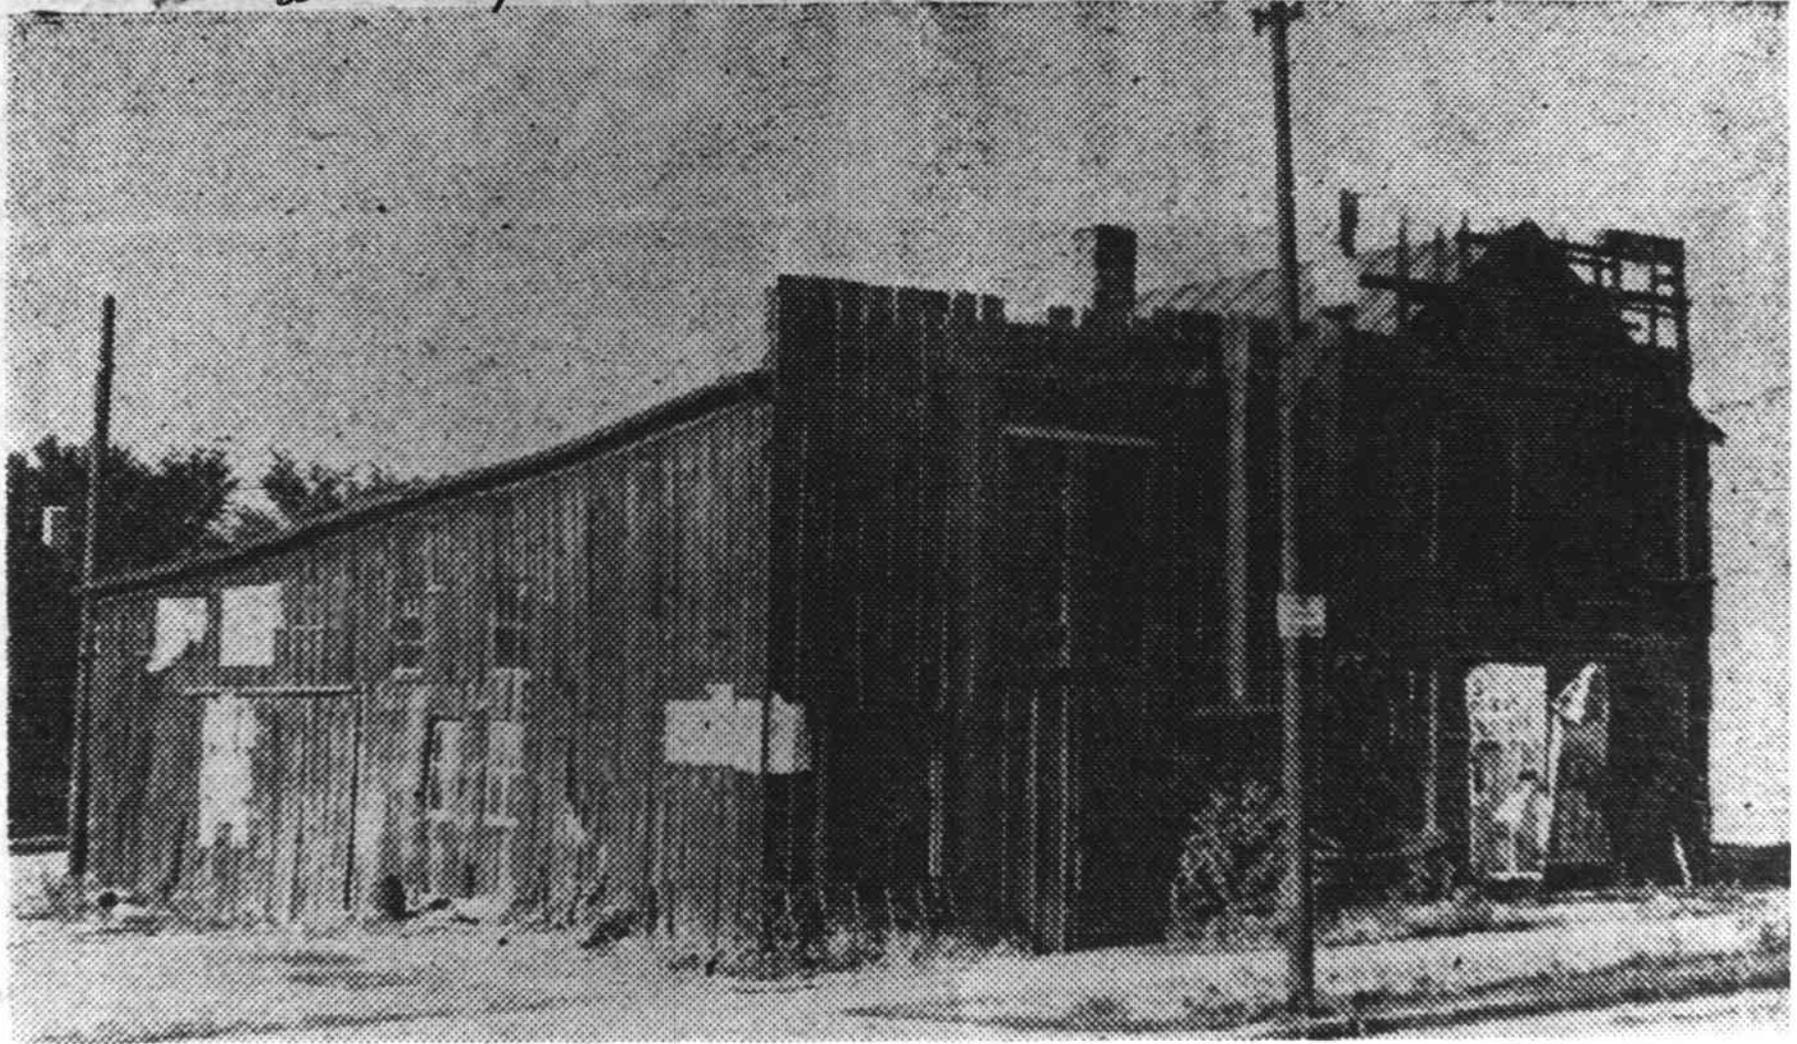

PHOTO BY JAY COFFMAN

The Wm. Wiegman blacksmith shop shown above, which was sold recently to Robert McQuality, is now being torn down. This is one of the old landmarks in Moweaqua, the Wiegman's having lived here thirty-seven years.

Mr. and Mrs. Wiegman and family moved to Dwight, Ill., in August after selling his farm to Elmer Nicholls and the Wiegman home in the east part of town to Cliff Cearlock.
