MEMORIES

FROM

MOWEAQUA

Volume # 2

This book is dedicated

With Love

To my three children,

Bryan S., Crista N., and Brent A. Jacober

And to my late husband,

Donald J Jacober
1941-1993

*"The heritage of our past is the treasure of our future...
The present is the time for us to preserve it for those to come."*

HOW TO USE THIS BOOK

TO THE READER:

It is with great pleasure that I submit this work entitled '**Memories from Moweaqua, Volume 2**', which consists of excerpts from the *Moweaqua Call-Mail* from March 1891 through December 1893. All extracts were taken from actual copies of the *Moweaqua Call-Mail*. This is due specifically through the efforts of the Moweaqua Public Library Librarian, Mrs **Barbara Collins**. Her foresight into preserving the valuable, historical news contained in the fragile pages of the *Moweaqua Call Mail* was responsible for these extracts.

Great care has been taken to extract data relating to births, marriages and deaths that were noted in the *Moweaqua Call-Mail* during this time. Also included are birthday celebrations and anniversary celebrations, since these events may aid a genealogist in pinpointing exact dates, and the articles verify a person's age and/or the date and place of their marriage. This will add genealogical value to this document.

If I was unsure of any information, found an obvious error, or did not copy an article in its entirety, I have included a '*Note*' at the end of the information given. These notes will be in parenthesis and will be italicized.

For your convenience, I have included maps of the local area, (state, township and county maps). To add interest to this book and to aid in verifying exact dates, I have included a calendar for the various years covered. The calendars are found at the beginning of each specific year.

For ease in using this book, I have cross-referenced any unusual spellings of names and highlighted the names in the text. Please note that sometimes a woman's maiden name is available, as in the case of a marriage, and sometimes only her married name is given (as in the case of her death). When a woman is listed as 'Mrs J D Doe', I could not tell if it was her initials, or her husband's initials. Therefore, in the index, I have listed the woman as: Doe, J D (Mrs). To assist you in finding an individual, please consider both the maiden name and married name(s) when researching a female.

There are over 3,000 names in this volume. I have tried to be as accurate as possible. Many of the articles have been copied verbatim. I have extracted the information to the greatest extent possible; however, the actual papers were extremely fragile, and sometimes the print was not as good as it could have been. There is some duplication of the extracts (ie. A death notice may be listed on the front page and again in the township news (Obed, Prairie Home, Yantisville, etc)). I chose to leave duplicate articles in 'as found' rather than screen them and perhaps miss an article.

If you have any questions or would like to contact me, my address is given below. A special thank you to Ms Barbara Collins – a fine woman with a definite concern for preserving Moweaqua's past heritage!

Old Disease Names And Their Modern Definitions

Biliousness: Jaundice or other symptoms associated with liver disease; any upset leading to vomiting bile.

Camp Fever: Usually another name for *typhoid fever*. Typhus has appeared in the ports, but it was NOT a disease of the Civil War. In spite of repeated introductions from Europe and from Mexico, this form of typhus failed to form a permanent foothold in either Canada or the United States. The American Civil War of 1861-675 was one of the few wars of any magnitude in which typhus was not epidemic among the military camps, prisons, and refugee camps. (Ref: N H Topping et al, Studies of Typhus Fever, National Institute Bulletin No. 183 (1945)). Also see typhoid fever.

Consumption: Tuberculosis. The effect of the disease was that of 'wasting away'.

Cramp Colic: Appendicitis

Croup: Congested cough.

Death from 'Teething': Tooth infections with inflammation and cellulitis were causes of illness and death before there was adequate dentistry.

Dropsy: Edema (swelling), usually of the hands and feet, although other parts of the body may show visible signs; water retention of the body, caused by kidney or heart failure. Today, dropsy may be called congestive heart failure. It can be an accumulation of fluid around the heart for a variety of complex reasons.

Falling sickness: Epilepsy.

Gout: Still called this today. Inflammation of an extremity - usually the foot, resulting from some fatty blood vessel/circulation problems. Not dissimilar to arthritis, but not involving the joint in the same way. It refers to an inflammation, not just in a joint, or an extremity, caused by the formation of crystals of oxalic acid when it accumulates in the body. It most often occurs in joints where circulation is poor, but can even cause gallstones or kidneystones. Extremely painful, may cause the infected area to become hot, redden, and very sensitive. Often called the 'rich man's disease', probably comes from the fact that

anything which aggravates the acid level in the blood may bring on an attack, including lots of red meat (since that was expensive until modern times, only the well-to-do might be exposed to that 'trigger' of gout). Today's remedy includes increasing the intake of water. An attack can be calmed within 12 hours or so to the point where it's possible to walk again. Without treatment, attacks diminish over a week to ten day period. Most common gout manifests itself as a swelling in the big toe joint (either foot). Most common description is: high uric acid levels in the blood cause uric acid crystals to form in the joint linings. As the joint moves, then it's equivalent to having sandpaper rubbing against the joint linings and bone - result: incredible pain. Attacks come on very suddenly without warnings. Neither heat nor cold packs seem to make much difference.

Jail Fever: Typhus. (See Camp Fever). Not normally found in the US.

La Grippe: French for the English word 'grippe'. In modern days we know this disease as either 'influenza', or simply 'the flu'. The flu used to be a pretty deadly disease and can still be very threatening for people with immune systems weakened either by other diseases, age or general bad health.

Lung Fever: Pneumonia

Lung Sickness: Tuberculosis.

Milk Leg: In the 1800's, milk leg was common following childbirth. It was a painful swelling of the leg soon after childbirth due to thrombosis of the large veins. Today it would commonly be called *phlebitis*, or an infection or irritation of the veins of the leg, caused by inflammation and clotting in the femoral veins, usually as a result of infection during child birth. The more formal name is *Phlegmasia Alba Dolens*. (ref: Webster's New World Dictionary, 2nd ed, 1976, pp 901-2.)

Scarlet Fever: A common cause of death in children before the 20th century. It is caused by strep bacteria with a very strong endotoxin (bacterial poison). A child gets *pharyngitis*, then a skin rash, with bleeding into the skin and a high fever in a very bad form, which is almost never seen today. Collapse and death may come within 48 hours. Like all infectious diseases, it appeared in 'bursts', or epidemics. For some reason, the disease is no longer so violent, and children are not at risk for these complications today. Penicillin and other antibiotics are used today to handle the disease.

On Wednesday afternoon of last week, this city was shocked by the news that one of '**Jim Riley's** boys had drowned'. It was only too true. Early Wednesday morning, **J B Riley** and family started on a fishing trip to Flat Branch. They located on the banks of the creek about two miles south and a list east of town on what is known as the '**Widow Campbell farm**' now occupied by Mr **D Phelps**. Here they camped and made ready to enjoy the day. After dinner they started to seine the creek for fish. The occupant of the farm, Mr Phelps had come down and was in the water assisting Mr Riley and his two boys, **Samuel** and **Benjamin** in handling the seine. As they approached a deep hole (neither Mr Riley nor his boys being able to swim), Ben called out for help (The following account is from Mr Phelps, himself). "He was told to come out, when he said, "I can't for the water floats me down." I then reached a stick toward him telling him to take hold of it, and I would pull him out. The boy reached for it, but missed it and sank under the water. Just then it was discovered that the father was also under water and reaching out his hand for help I made a grab and bought him to shore This gave me such a jerk, it threw me into deep water and I swam to the to the other side. By this time, the elder boy rushed into the water behind the one that was drowning. The current of water was so swift, it carried him down stream across the deep water. He was out of sight most of the time When he came to the top, I took him to shore. By this time, the father was over this strangling and rushed in the water again to search for the drowning boy. He had to be brought out again, and was so excited I had to hold him out of the water, and by the permission of his wife and myself, we kept him out a short time." The body was located by **Wash Carwile** and was recovered by **N R Connor** who dived after it. The poor boy had been in the water more than 3 hours and, of course, life was extinct. In searching for the body, it was learned that the hole was filled at the bottom with logs, roots and drift, and it is thought that the boys clothes either caught on a snag or that in his drowning struggles, he grasped one of the roots. In either event, he would have been held down till downed. The remains were taken to the home of his grandmother, Mrs **Mary McCluskey** in this city and prepared for burial. This took place on Thursday the funeral being held at the M E Church after which interment was made in the I. O. O. F. Cemetery, west. Deceased was 14 years of age, the first day of last March.

He left Saturday for the vicinity of Sullivan to visit the family of **Mr Isaac Hughes**, a brother-in-law of **Mr Collins**.

Her grandchildren were the pallbearers. **Margaret Kautz** was born in the village of Ispringen, in Baden, Germany, on the 21st day of March 1811, and died 1 November 1892, aged 81 years, 7 months and 11 days. She was the daughter of **Christopher Kautz** and **Catherine Lichtenbarger**, and the fourth child in a family of five – two brothers and three sisters, the rest of whom preceded this sister to the grave.

Margaret Kautz, together with her mother, one brother and sisters, emigrated to America in 1831, being then in her 18th year—the father having died in 1819, one brother having emigrated to America in 1829. The four children and the mother landed in New York after a voyage of many days on the ocean. From there they went to Baltimore and after a 10 months residence in the latter place, preceded to Cincinnati, where on 11 November 1833, the deceased was married to **Michael Schneider**, who also had emigrated from Germany to America at an early age. After a residence of a few months in Cincinnati, the couple moved to Lick Creek in Sangamon County, Illinois, about 12 miles southwest of Springfield, having made the journey down the Ohio and up the Mississippi and Illinois rivers by boat. Here in Sangamon county, were born to them two children. In the year 1837, they removed to what was then Shelby, but now Christian County, Illinois, just a half-mile west of Moweaqua, where they continuously resided with the exception of a few years in Moweaqua, up to the death of the wife. Here were born to them six other children. Mrs Schneider was the mother of eight children: **Michael, Christopher F, Margaret, William J, Valentine, Peter, Adam, and Mary C**, all of whom are now living, except one – **Peter** having died in infancy. There survive the deceased – the aged husband, 7 children, 35 grandchildren and 3 great-grandchildren. Mrs Schneider united with the Methodist Episcopal Church early in life. She was attacked last winter with the dreaded disease, La Grippe, from which she never fully recovered, it having affected her heart's action and she was very near death's door, early in the summer, but rallied so as to be able to go outdoors with the support of a cane. During one of these times, she was in the act of stepping upon the porch, catching her foot under the end of the porch floor, she fell heavily upon the porch, bruising and damaging her limb to such extent that she was confined for weeks to her bed, but regained her strength sufficiently again to ride out with her husband, and on the 17th of October last, attended the silver wedding anniversary of her son, **William J Snyder**, where her pleasant face and cheerful words added very materially to the joyful occasion – even joining in the singing of 'Shall we Gather at the River', which was sung at her request. Being one among the few early settlers in this, her then wilderness home, she was accustomed to the hardships, privations and difficulties that attend the settling of a new country, and many weary strangers have found food and shelter under her roof.

Levi Casey died after months of illness, requiring the constant care of attendants. He passed away yesterday afternoon. He had been in failing health for 3 years and although suffering from no disease, the effect of old age caused a gradual sapping of his strength. He lived in Pana, Illinois, and we do not believe that there is an old citizen in Pana who does not know Mr Casey. Born near Greenville, Illinois, Bond County, on the 23rd of July 1817, while Illinois was still a territory, and dying on the 6th day of March 1893. He had lived to the ripe old age of 75 years, 7 months and 13 days. Practically all his live he had been passed in the various parts of Central Illinois. He had been married over 53 years, having been married on 26 November 1840. He was the father of five children, all living and present here today, and well known to most of our citizens. His wife survives him. Mr Casey moved here from Moweaqua in 1865 and kept a hotel adjoining the Maxfield House for several years, but was burned out. He afterwards carried the mail between the depot and post office at the time when we were allowed a mail agent. Since that position was abolished, Mr Casey had engaged in no business or occupation, living quietly at home and strolling up town when the weather was pleasant. In politics, he was an ardent Democrat, quiet in his ways, probably one of the greatest students of the Bible in the city. Not given to argument or forcing his opinions upon anyone, he was thoroughly covenant with the contents of that greatest of all books. In the death of Mr Casey, this city has lost one of its landmarks. He had seen it grown from a straggling village to the present size and importance. By his death, a good man has been taken from us. (*Pana Gazette*)

Levi Casey was born near what is now known as the town of Greenville in Bond County, Illinois, on 23 July 1817, Illinois, then being a territory and departed this eventful and peaceful life, the 6th of March 1893, thus being the age of 75 years, 7 months and 13 days. He was married on 26 November 1840 to the bereaved companion who survives him, and for over 52 years, they have lived happily and pleasantly together, the union being severed by his demise. To the joining of these two lives was given in birth, 5 children: **Samuel** and **James Casey** of Moweaqua, **Mrs F M Malone** of Miles City, Montana, **Mrs Chas Conrad** of Tower Hill, and **George Casey** of Pana, all of whom were in attendance at the last sad rights today. He resided in various portions of the state until the year 1865 when he then removed to Pana, and has here resided ever since. For many years he was landlord of a hotel which was located near the Maxfield House, but the building was destroyed by fire and he then accepted the position of mail carrier, conveying the mail from the depot to the post office and retained this position until the office was abolished, since which time, he has lived a quiet and unpretentious life, a way of making friends and retaining their friendship. The remains were conveyed to the train this morning and taken to Moweaqua from whence the funeral obsequies occurred and interment was made in a cemetery eight miles east of that town. Friday, 15 September 1893 issue, Moweaqua Call-Mail:

After several weeks of patient suffering, Capt **A C Campbell** peacefully expired at his residence Sunday morning, 10 September 1893, at 8 o'clock. His death did not come as a surprise, but rather as a terrible shock to the beloved family and relatives, and to the hundreds of friends. He was a character possessed of great individuality, strong and firm in his convictions, a loving parent, a noble husband and a steadfast friend. **A C Campbell** was born on Lick Creek, in Sangamon County, this State, on the 22nd of July 1819. He was the third child born of white parents in Sangamon County, and was supposed to be up to the time of his death, the oldest white man living, who was born in that county. He was of Scotch origin, of which he always took pride in telling. He was raised on Lick Creek, and was the oldest of six children. On 3 August 1838, he married **Polly Foster**, who was a native of Kentucky. After his marriage, he went to farming on Lick Creek. On the 11th of June 1846, he enlisted in Co D, Fourth Regiment, Illinois Infantry, for service in the war with Mexico. He had enlisted as a private, was elected as a lieutenant, and the captain dying at Tampico, he was left in command of the company, which position he retained until the expiration of his term of enlistment. He farmed in Sangamon county until 1851, then moved to Shelby county in the present Flat Branch Township. He volunteered during the war of the rebellion, October 1861, he entered the services as Captain of Co E, Thirty-second Regiment Ill Vol. He was mustered out in February 1865. The death of his first wife, **Polly**, took place on the 9th of January 1858. On the 17th of June 1859, he married **Jennie Hurt**, a native of Ohio, who survives him. He leaves four children living: Mrs **Elzira Clark**, Mrs **Sarah Segar**, **Leonard Campbell**, and **John Campbell**. Two are dead, **George Campbell** and **Alfred Campbell**. He had always been a member of the Democratic party. In 1880, he received the democratic nomination for member of the legislature and was elected by a large majority. He was connected with the Moweaqua Lodge 180, A.F. & A. M. of Moweaqua. The funeral services took place at the family residence at two o'clock, Tuesday afternoon under the auspices of the Masons, Rev **A C Armentrout** officiating, and the remains were interred at the city cemetery. The general arrangements were in the hands of Director **Stine**, and the casket was probably the handsomest and most costly ever brought to Moweaqua. The pallbearers were **B F Bramlette**, **W S Huston**, **A Warren**, **B F Ribelin**, **J D Drew**, **D N McCluskey**, and **J W McClure**. **John Campbell**, of Spokane, Washington, was here in attendance at the funeral of his father, Capt Campbell.

Friday, 22 September 1893 issue, Moweaqua Call-Mail:

Dr **Buck**, our esteemed and respected doctor has met death's sickle. His life was one of public enterprise. He was first and foremost in everything that tended to the material welfare of this community. He lived while he lived, a noble, generous life. A hearty

greeting, a cordial grasp of the hand, and one felt that he knew Dr **Buck**, and to know him was to love him. He was quick to respond in time of dire suffering, and by his magic skill, in surgery and metaphysics, many a life has been saved and many a gladdened heart has bestowed its blessing. It were but mockery to eulogize a character so sublimely noble. The history of Moweaqua is inseparably associated with Dr **Buck**, and now that the Divine Creator has severed the bonds that have bound him to us, a vacancy has been created that is impossible to fill save with years of service in the labor of man's humanity to man.

Thursday night, last 14 September 1893, at 11:45 o'clock, Dr **W P Buck** quietly passed away at his home in this city, in the 56th year of his age. **Wilbur P Buck**, M D, the youngest son of **Lemuel Buck** was born at Peru, New York, on 16 August 1837. He came to Marengo, Illinois, in 1860. In 1862 he enlisted in the Army, and served his country through all that great conflict for liberty, the flag and the union, to the end of the war. He was a true, heroic and useful man, and much beloved by the comrades of the 95th Ill Vol Inft. He was promoted to the office of Assist. Surgeon of the 8th Ill Vol Vet Inft. and served three years and eight months. He was discharged 4 May 1866, as Surgeon of the 8th Ill Vol Inft by General Orders No 85, discharging the volunteer forces in the US Services. He was mustered into J V Clements Post No 363, G. A. R., on 30 January 1884. Dr **Buck**, came to Moweaqua, Illinois, in October 1866, where he entered upon the practice of medicine. He has been called to almost all the homes, more or less, in this community in the 27 years of his practice, and perhaps it is true, that no physician and surgeon ever ministered in kindness and sympathy to the afflicted more than Dr. **Buck**. As a citizen, he was loyal and true to the interest of the community, and specially his own town and neighbors. He enjoyed the confidence of the people, as the large number of people present at the funeral attested. Dr **Buck** was married to Miss **Camilla A Washington**, in Marshall, Texas, on 11 March 1866. From this union there were four children: **Lemuel F**; **Addie M** and **Wilbur P**, and a son who died in infancy. The Dr. greatly loved his family; his greatest conflict was in the thought of leaving them. He was also greatly concerned for his aged mother-in-law, in his own language, 'may the Lord bless and keep her.'. As to his religious life, he was converted while young, and lived a happy life for many years, but like many others, amid life's cares and conflicts, he fell back and lost his religious compact. Some months before his late sickness, he was greatly concerned about his spiritual condition, and spoke of his religious failure as the great mistake of his life, and shed tears of sorrow because of his spiritual condition. When taken sick, he seemed to have a premonition of his coming death and sought the Lord and found the Chief desire of his heart—he evidence of his acceptance with God. In his own words, he said, "I am trusting the Lord and he accepts me, and now I would like to live to serve the Lord." He died in great peace on 14 September 1893, at 11:45 PM, aged 56 years and 28 days. His funeral took place from the M E Church on 17 September 1893, at 2 PM. After the services at the church, his remains were laid to rest in the I. O. O. F. cemetery by the Grand Army of the Republic and the Knights of Honor. The living brothers and sisters of the deceased are as follows: **Dr H A Buck** and sister, **Jennie Leavitt**, of Buck Hollow, Vermont; **Orson** and **Willard Buck** of Saranac, New York, and **Burt Buck** of Sandy Hill, New York. The funeral services were held Sunday afternoon last from the M E Church and the assembly was by far, the largest ever seen in Moweaqua. The visiting comrades of 8th Ills Vol Inft which was Dr **Buck**'s regiment were: **Dr C N Dennison**, Argenta, Illinois, **Capt George S Durfee**, Decatur, Illinois; Surgeon **A S Baytor**, Decatur, Illinois; and other

comrades being present were: **W W Shockey**, Decatur, Illinois; **Capt W E Bingham**, Decatur, Illinois, **Major Williams**, Decatur, Illinois. Dr **W P Buck** left a very fair estate, and \$3,000 life insurance. His wife, **Camilla Buck** was appointed his executor. The *Leader*, is very sorry indeed to hear of the death of **Capt A C Campbell** of Moweaqua, which occurred at half past eight o'clock, Sunday morning, after an illness of about two months of heart trouble and other complications. The Capt was well known throughout the county, and was well liked by every one. He was a prominent Democratic politician and represented this county in the legislature about 12 years ago, and made an efficient and popular official. He was an ex-soldier, having served with honor and distinction in two wars (Mexican and the war of the Union). He was about 74 years old and had lived in this county for 40 years or more, coming here from Sangamon County in an early day. He leaves a widow, who has the heartfelt sympathy of a host of friends in her sad bereavement, and four children, all grown, and doing for themselves, viz: Mrs **E T Seger** of Decatur, Mrs **J W Clark** of Moweaqua, **J P Campbell** of Spokane Falls, Washington, and **Leonard Campbell** of Fort Scott, Kansas. The funeral took place Tuesday under the auspices of the Masonic order of which he had been an active and beloved member for many years. In his death, the beloved companion loses a dear and faithful husband, his children an affectionate father, the democratic party one of the brightest and most useful members, and the county one of its best and most honored citizens. Little Maude was a bright child and a fit type of all that was sweet and beautiful in this life, and to say that her parents will miss her, is but feebly expressing it. Wednesday, at high noon, in the presence of a few relatives, Rev **T D Weems**, impressively pronounced the mystic words which joined in holy wedlock, **Thomas E Hudson** and **Wilhelmina Nottbrook**. The ceremony took place at 'Brookside' farm, the home of the bride's mother, Mrs **W Nottbrook**, about a mile south of the city. **Lizzie Snyder**, a niece of the bride, was flower girl, followed by Misses **Anita Snyder** and **Fannie Hudson**, the former a niece of the bride, and the latter, a sister of the groom. Then came the bride and groom. (*Description of their attire, the dinner and the decorations of the home described; not copied in this book*). It would seem almost sacrilege to eulogize the bride. The people of our city are familiar with her many estimable qualities. A noble earnest woman, a sincere and devout Christian, she has won and held the love and esteem of the thousands who now wish her a wedded life of happiness. The groom is an honest,

hardworking, practical man, he has ever given to his father the best efforts of his young life in making a worldwide reputation for the Woodland Stock Farm, and his success has been his reward. The newly wedded couple took the southbound I C Train for St Louis and New Orleans for a brief tour through the "Land of flowers". The **Brooks brothers** are well known in this community where they have so long resided, as honest, hard working and capable young men. Misses **Burcham** and **Adams** are two estimable young ladies who will make the boys sincere and earnest wives. Born to Mr and Mrs **George Daughtry**, on Saturday, September 30th 1893, a boy. May he wax manly and strong, that in after years, he may prove an honor and blessing to his estimable parents.

The obit of **Grandpa Yantis** will be found in the Obed letter this week.

Again death has visited our community and called to the saint's rest, that beloved and honored friend, **Daniel Yantis**, who was one of the oldest settlers in Pickaway Township, Illinois, having obtained his fine farm of 240 acres of the government in 1853. He had a neat home and all the modern improvements which makes a house pleasant, but now he has been called from that home to one not made with hands, Eternal in the Heavens. For the past six weeks he has suffered greatly, but bore all that with great simplicity, and was conscious to the last. During the sickness, he took but little nourishment, yet had great strength until a few days before he died. When death claimed him, he passed away like one who wraps the drapery of his couch about him and lies down to pleasant dreams. Our subject who was ascended the sunlit-heights, was born in Frederick County, Maryland, on 15 September 1811, died at his home in Shelby County, Illinois, on 30 September 1893, at 5:35 o'clock AM, aged 82 years and 15 days. When four years of age, he emigrated with his father, **Henry Yantis**, to Pickaway County, Ohio. In 1833, he was married to **Elizabeth Longenbaugh** of Ohio, who departed this life 16 February 1880, after having lived with her husband 57 years. (*Note: As copied, but the time is only 47 years, not 57 years.*) Fifteen children blessed this union, nine of whom are living, six of them being present during his sickness. The funeral cortege was over a mile in length as it wended its way to the Little Flock cemetery where the body was laid to rest amid the lamentations of friends and relatives. It is estimated that over one thousand people paid honor to his memory. The funeral took place at Little Flock Church on Sunday, at 2 o'clock PM. Rev **Gillmore**, of the First M E Church of Shelbyville, conducted the rites in an exquisite and impressive manner. The obsequies were in charge of Jackson Lodge No 53, A.F. and A. M. of Shelbyville, of which he was a member. They were assisted by the Assumption and Findlay lodges. The ceremonies at the grave by the fraternity were very pathetic, as they marched around the grave paying the last tribute of respect to one of their honored members. (*Poem follows; not copied here*). Obed news: **Ellen Killam**, nee Yantis, of Howard, Kansas, came in on last Monday, too late for her father's funeral. Born to **Samuel Longenbaugh** and wife on the 27th of September 1893, a little son in Obed.

She was an exemplary follower of the meek and lowly Nazerene, and died as she lived, thrusting in Him for eternal life. A husband, little infant, mother, sister and four brothers sustain the great loss, and we deeply sympathize with them.

The remains of **Andrew J Steidley** arrived in this city last Saturday morning accompanied by his son, **William A Steidley**, from Lake Arthur, Louisiana. It was Uncle Jack's last request that he be laid peacefully to rest beside his wife in Moweaqua cemetery. The funeral services were held on Saturday afternoon in the M E Church, Rev **H C Turner** officiating, assisted by the Rev **T M Griffith** of the Baptist Church. Sweetly sympathetic were the words, '*Nearer by God to Thee*', so tenderly rendered by a choral trio, consisting of **H F Day** and his daughters, Misses **Birdie** and **Edna**. Pall Bearers were **Jas H Elsum**, **Josiah Berry**, **Neal Tolly**, **F Snell**, **G M Keiser**, and **Samuel Riley**. Uncle Jack Steidley was a strong character. His convictions were firm, his ideas of right and wrong were clear and concise. For 30 years he was a citizen of Moweaqua, and during that time made many warm friends. **A J Steidley** was born in Frederick Co, Virginia, on 23 December 1829.

When in his fifth year, he emigrated to what was then the new country of Illinois and settled in Macoupin. His early life was spent in that part of the state, where he farmed or taught school. In 1852, he was united in marriage to **Nancy E Jayne**, daughter of Judge **Jayne**, of Carlinville, Illinois, who died 26 Feb 1881. Five children were born to them, one dying in infancy. In 1864, he came to Moweaqua where he has since resided with the exception of a few months until last April when he went to southwestern Louisiana with his son, **Will**, he and his friends fondly hoping that a change of climate might benefit his failing health. For a time he seemed to fail, but after a few months, he began to improve and seemed to be gaining in health, until within a few hours of his death. He remarked to a friend on Friday, a week ago, that he felt better than he had for years. On Tuesday evening he was taken sick, and died at 123:30 the following day. He leaves three sons and a daughter, **Thomas**, a farmer resides near Shelbyville, Illinois; **Edward** is a mason and lives at Moweaqua; **William A** is editor of the Lake Arthur, Louisiana, *Herald*, and **Emma**, his only daughter is a school teacher in Shelbyville.

Mary was the light and joy of their home, and all who knew her will know what a trial it was to give up to the tomb, one they loved so well. She will be missed by all of her friends for she was a favorite among them. She leaves a father, mother, two sister, and four brothers, besides other relatives that will miss her more than words can tell. Typhoid fever was the cause of her death. She was laid to rest in the Little Flock Cemetery on Wednesday morning, beside a little brother that died 4 years ago.

The wedding party entered the front parlor to the music of the wedding march being played by Miss **Alberta Hills**, and were preceded by two pretty little children, a nephew and niece of the bride, children of Mrs **Sabin** and Mrs **Marshall**. Mr **Elroy Dimon** and Miss **Anna Cottrell** were groomsmen and bridesmaid. Rev Dr **H D Hunter** of the Congregational

Church and Rev **D H Gillbray**, of the Baptist church, officiated. Mid showers of rice and everything else that betokens well wishes, Dr and Mrs **Buck** departed to take the 8:30 PM train. They will be in Chicago several days, and at Quincy, Illinois, about a week, after which they will make their home in Assumption, Illinois, where the groom has established a successful practice. One room was completely filled with presents; it is seldom that presents in such number and which so fortunately combine the beautiful and useful are given upon the occasion of a wedding. Dr **Buck**, whom many of the guests had not before had the pleasure of meeting created a most favorable impression and made many friends. The bride, who was born and grew to womanhood here, has been one of the most popular and useful members of the Sycamore society, and active in all good works. She will be much missed. We had hoped Dr and Mrs **Buck** would take up their residence in Moweaqua, but it appears what we shall lose will be Assumption's gain. *(Article includes more info on decorations, attire, attendees, and ceremony; not copied here. A very interesting and impressive wedding)*

Isaac Miller Price was born in Ash Grove Township, this county, on 5 April 1872, and died in Moweaqua on 31 October 1893, aged 21 years, 6 months and 26 days. In the death of **Miller Price**, his parents lose a dutiful and affectionate son, his brothers and sisters a loving companion, and his acquaintances a true friend. His death is all the more deplorable for the fact of his being cut off in the first flush of manhood with bright hopes and high aspirations in view and an upright and honorable life in the past. It is known that **Miller** had many friends, and few, if any enemies, and his last words were to the effect that he was 'going home' was assurance enough that he was prepared for his eternal home. The funeral services were conducted at the residence on Wednesday by Rev **Thos Giffith**, the remains being interred in the Odd Fellows cemetery, and followed to the last resting place by many of the sympathizing friends and relatives.

She was taken sick the 8th of last May and died 21 October 1893, at 2 o'clock in the morning of abscess on the liver. She was a constant sufferer from the first, and never mourned but patiently awaited God's time. She often said, "I am not afraid to die". She leaves a mother, five brothers and a sister, a husband, daughter, and a host of relatives and friends to mourn her untimely death. She was an affectionate daughter and sister, and a true and loving wife. She always had a smile and kind words for everyone. Thursday, 16 November 1893 issue, Moweaqua Call-Mail:

At an early hour last Friday morning, news reached the city that **Patrick McCarty** was dead. At first the report was hardly accredited, nevertheless, the sad tidings were fully confirmed a few hours later. The trouble appears to be a combination of kidney and heart disease which with a man of his age, 65 years, produces quick and fatal results, he having been ill but a brief period. Patrick McCarty was a man whom everybody liked. For years he had been a successful brickmaker and had resided about a mile north of town. Being throughout his life a constant and zealous Catholic, his remains were conveyed to Macon on Saturday morning, and the last sad funeral rites were held in the Catholic Church, Father Mora officiating. At the family home, one mile north of Moweaqua, Illinois, on Friday, 10 November 1893, at 3:30 o'clock, Patrick McCarty died of kidney and heart trouble after a short illness. He was a native of Blackwater County, Westford, Ireland, and was born on 17 March of 1824, aged 65 years, 7 months and three days. At the age of 19 years, he was married to Miss **Catherine McCarty**, and lived three years in their native home. They emigrated to this country in 1848, lived in Philadelphia, Pennsylvania, three years, and moved from there to Mifflin County in 1851, where they resided 18 years. On 9 June 1896, they came to Moweaqua, Illinois, where they lived for one year then bought the farm where he lived until his death. His occupation was the manufacturing and sale of brick, which business he conducted successfully, and through economical industry, he amassed an estate of which the net value would amount to about ten thousand dollars. Politically, he was firm in his convictions and life long Democrat. In his religious views, he was a Roman Catholic, in which faith he lived and died a true and devoted believer, under the auspices of which church the funeral services were conducted by Father Mora. The remains laid to rest in the beautiful cemetery at Macon. Deceased was the father of ten children, six of whom with his companion have preceded him to the Spirit world. The living are **Mathew, Thomas, Joseph, and Jennie**, and two grandchildren. In his death, they will lose a kind and affectionate father, the community will lose a good, peaceful citizen, an honest man, who will be missed by many friends.
